PRODUCT DESCRIPTION

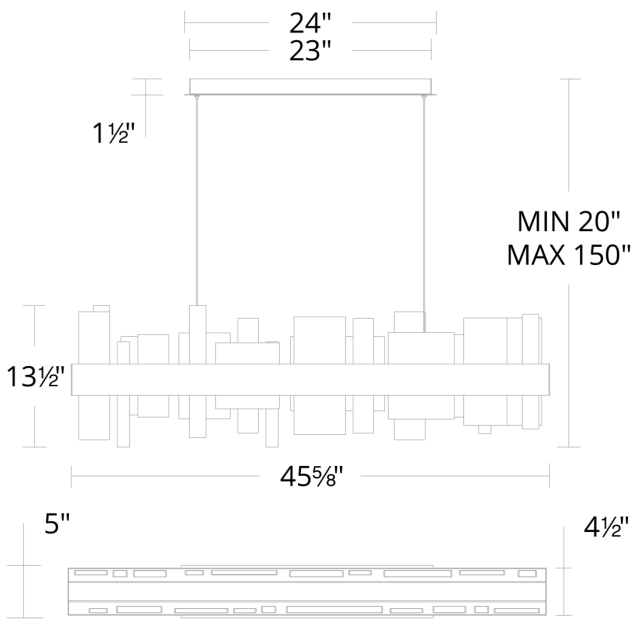

From the shining city on a hill, our visual vocabulary gives us a statement piece for the ages. This abstract lightscape features undulating Spanish natural alabaster forms reflected below a luminous aged brass band in peaceful symmetry. Ultra-thin power cables and minimal hardware completes a clean architectural design.

FEATURES

- Driver concealed within the canopy
- Incorporates hand selected first quality Spanish alabaster varying in thickness and height
- Natural stone features unique veining and color variation
- Thin powered aircraft cables provide an ultra clean look for adjustable suspension height
- Slide-on rectangular canopy with minimal hardware
